The South Derbyshire Sports Directory is packed full of information on sports clubs and groups in and around South Derbyshire. It's a great starting point for you to find out more about sports and clubs you can get involved in. There are a range of sports in the directory from traditional sports, such as cricket and football clubs, to more unusual activities such as martial arts and even scuba diving!

To make it easier for everyone in South Derbyshire to find out about sport and activities available in and around the district, South Derbyshire Sport have supported the development of this Sports Directory. South Derbyshire Sport is the Community Sport Network for the district. The group is a collection of people who have a passion to develop and promote sport and physical activity and includes representatives from the District Council, School Sports Partnership, sports clubs and volunteer networks.

All the club details featured in this directory also appear on the sports club page of the Healthier South Derbyshire website: www.healthiersouthderbyshire.org.

To update your club details, please email the relevant information to sportsdevelopment@south-derbys.gov.uk. If your club does not currently feature in the directory, make sure it appears in the next copy and on the website by filling in the short online questionnaire at www.south-derbys.gov.uk/sportdirectory

HOW THE DIRECTORY WORKS

Each club is categorised by sport, alphabetically. Under each club you will find information on the club's website and key contact (where available).

When choosing a club to join, factors such as its location and training times may effect your decision. You may also want to consider whether the club has achieved

KEY:  open to all  for adults  for children
 affiliated to national governing body  achieved accreditation such as clubmark

accreditation. Each sport is governed and organised on a national level by its National Governing Body (NGB). The vast majority of NGB's have adopted 'Clubmark' as their recognised club accreditation scheme. Those achieving Clubmark have demonstrated they are a club open to all, have suitably qualified and CRB checked coaches and are following good practice as set out by their NGB. For more detailed information on Clubmark visit: www.clubmark.org.uk

Clubs who have been awarded Clubmark will have a  symbol next to their details. Clubs who are not Clubmark accredited, but are associated with their sport's NGB will have a  symbol beside their details. In most sports, this indicates that a club pays a yearly subscription to their NGB to be part of leagues, competitions and may feature in NGB development plans and the player pathway for their sport.

SUPPORT TO SPORTS CLUBS

South Derbyshire District Council have a Club Development Officer, Laura Gibson, who can help support clubs in the district. Laura can offer support in a range of areas including how your club can work towards Clubmark and developing links with local schools.

Support can be offered with:

Writing club development plans and planning for your club's future

Finding funding and assistance with applications. A funding guide is available at www.south-derbys.gov.uk/LeisureCulture/sports

Coach education. A variety of courses and workshops are regularly held across the district. Let Laura know if there are specific courses you would like to see run. Visit www.south-derbys.gov.uk/LeisureCulture/sports/findcourse/ for

current courses planned

Recognising, supporting and recruiting volunteers. If you have volunteering opportunities at your club, let Laura know and she can help with promotion and recruiting.

Linking with local schools to develop or start up junior sections at clubs.

Running small events. The Community Events Toolkit contains advice on holding small events in the community. The toolkit is available from www.south-derbys.gov.uk/LeisureCulture/sports

If you have any questions on developing your club or would like further information on anything to do with club development please contact Laura on 01283 228751 or email sportsdevelopment@south-derbys.gov.uk
