Job Title: Village Games Co-ordinators (6) – Amber Valley, Bolsover, Derbyshire Dales, High Peak, North East Derbyshire, South Derbyshire
Coach and Volunteer Development Officer (1) – Derbyshire Dales

Salary: £19,621 - £21,519

Description: A fantastic opportunity has arisen for seven highly motivated people to join the Community Sports Trust - a Community Interest Company developing sporting opportunities at grass roots level in communities across Derbyshire. There are six Village Games Co-ordinators posts, and a Coach and Volunteer Development Officer (Derbyshire Dales).

The Village Games will be a highly visible, accessible community spirited sport project across rural Derbyshire. It will use inter village competition, festivals and events to encourage people who would not regularly participate in sport and recreation and be the catalyst to a programme of club development, coach development, volunteer recruitment as well as building village identity and social interaction.

We are looking for people who will relish the challenge of working with community networks in rural areas to develop new sporting opportunities for adults and young people and to build a community of sporting volunteers and coaches. You should be a confident relationship builder with the ability to develop and manage links with voluntary and statutory organisations and have a proven track record of 'making things happen'.

If you are passionate about sport and can demonstrate you have the necessary skills to fulfil this role, we would love to hear from you.
